AZTEC CLUB OF 1847.

CHRONICLE.

On the 13th of October, 1847, as soon as the United States Army was quietly established in the City of Mexico, a meeting of officers was called with a view of forming a Club and opening a club-house for the entertainment of its members and their guests while in the city.

It is not known that any record exists of the early proceedings of the Club thus formed, but the following were among the promoters or took an active part as club officers from the start:

General Quitman, as President; Captain J. B. Grayson and Colonel C. F. Smith, as First Vice-Presidents; Captain J. B. Magruder, as Second Vice-President; Lieutenant R. P. Hammond, as Treasurer; Captain George Deas and Lieutenant H. Coppée, as Secretaries.

The original home of the Club was the handsome residence of Señor Boca Negra, who had been formerly minister to the United States from Mexico, and was located on one of the streets leading out of the Calle Plateros, and not far from the headquarters of General Scott, Commander-in-Chief.

On the 13th of January, 1848, a Constitution was adopted and a new election of officers was held. The initiation fee was made \$20, payable in advance. General Winfield Scott and Chaplain John McCarty were elected honorary members.

On March 3d, 1848, by resolution of the Club, a Constitution, with a list of the members, was printed at the office of the "American Star," in the City of Mexico.

A meeting of the Aztec Club was held in May, 1848, when it was determined that no satisfactory plan could be then proposed for continuing the existence of the Club after

returning to the United States; but, "desiring to preserve some lasting memorial of the pleasure and advantages derived from this institution that may serve for all time as an additional bond of friendship and brotherhood among its members," it was

"Resolved, That the organization of the Club shall continue with its present officers for a period of five years from the 14th September, 1847."

At the time of the withdrawal of the Army from Mexico the Club consisted of 160 members and 2 honorary members.

In 1852 an election of new officers was made accordingly, but no regular meeting of the Club took place until September, 1867, when officers were elected, a place and day for the next annual meeting named, a list of the original members ordered to be printed and distributed, and a commemoration badge to be designed for transmission to living members and to the families of those deceased.

The action taken at this meeting was submitted to the survivors of the Aztec Club of 1847, and confirmed by the votes returned to the Secretary.

At future regular meetings resolutions have been adopted, in accordance with Article XII of the Constitution of 1847, as follows:

In 1871 it was decided to admit to membership officers who may apply, having served in any part of Mexico during the war, after nomination and election by the Club.

In 1882 it was decided that officers killed in battle or who died of wounds in Mexico before the formation of the Club might, upon application of a son or nearest blood relative, be admitted to the roll of membership, to be represented by the son or nearest blood relative, after his nomination and election by the Club.

In 1887 it was decided that officers now deceased who served in Mexico during the war, never members of the Club, but eligible to membership if living, may be admitted to the roll of membership, each to be represented by his nearest blood relative, when duly elected by the Club, upon

the written application of such blood relative, approved by two members to whom he is known.

In October, 1888, it was deemed proper, in view of the expressed desire of the original Club, in May, 1848, "to preserve for all time some lasting memorial that may serve as an additional bond of friendship and brotherhood among its members;" and the decided continuance of the Aztec Club of 1847 in "perpetuity," as expressed in the Constitution of 1887, and again in the revised Constitution of 1888, that the Club should be known—

1st. As the "Aztec Club of 1847."

2d. That it is to be continued in "perpetuity."

3d. That the basis of "membership" is *personal service in some part of Mexico, "as an officer, during the war with that country;"* and

That the lists of members should embrace the names of—

1st. All members admitted in Mexico in 1848.

2d. All admitted and who may be admitted under resolution of 1871.

3d. All admitted and who may be admitted under resolution of 1883.

4th. All admitted and who may be admitted under resolution of 1887.

In 1889 the Constitution was altered by adding the words "Navy and Marine Corps" after the word "Army," in the second line of Article II, on membership, so as to read "as an officer of the Army, Navy, or Marine Corps."

Under these several decisions the whole number of primary members now enrolled—officers who personally served in Mexico during the war with that country—is as follows:

By the original list admitted in the City of Mexico.....	160
Under resolution of 1871, upon personal application	64
Under resolution of 1883 (killed in battle), application by representative	4
Under resolution of 1887, application by representative.....	27

Deputy Recorder.

CONSTITUTION OF THE AZTEC CLUB OF 1847.

Revised and Adopted October 16, 1889.

ARTICLE I.—*Object.*

This Association, formed and founded in the City of Mexico, in the year 1847, by officers of the United States Army, shall be continued in perpetuity as "The Aztec Club of 1847," with a view to cherish the memories and keep alive the traditions that cluster about the names of those officers who took part in the Mexican War of 1846, '47, and '48.

Officers of the U. S. Navy and Marine Corps who served in Mexico during the war are equally eligible with Army officers.

ARTICLE II.—*Membership.*

The basis of Primary Membership being personal service as an officer of the Army, Navy, or Marine Corps in some parts of Mexico during the war with that country in 1846, '47, and '48, the Roll of Members to be "continued in perpetuity" under this Constitution shall consist:

First. Of those officers who inaugurated the Aztec Club in the City of Mexico on the 13th of October, 1847, numbering 160 members, and the two honorary members named in Articles I and IV of the Constitution published in March, 1848; and,

Second. Of those officers who by resolution of 1871 became eligible to membership since that date, having served in some part of Mexico during the war with that country, and who have been or may hereafter be duly elected members. The names of members admitted upon personal application will be enrolled as Primary Members on a list (*Number One*) to be arranged permanently, in numerical series, in the order of date of admittance—not to be altered except by future *additions* or by *dismissals for cause*.

Third. To extend to the memory of comrades *killed in battle* in Mexico or who died of wounds received in Mexico prior to the formation of our Club, all the honorable distinction pertaining to membership in the Club, it was resolved in 1883 that upon application by the eldest son or nearest lineal descendant of the officer so killed such son or lineal descendant may be eligible to membership as representing his dead relative. When such representative has been duly elected and qualified, the name of the

dead officer and the battle where he was killed should be entered on List Number *One*, in a separate group with his representative, in the order of election.

Fourth. As provided in 1887, the son or nearest blood relative of any deceased officer who never himself applied for membership (though eligible thereto because of personal service in Mexico during the war) may make written application for admission as the representative of his father or blood relative upon nomination by two members to whom he is known. If elected and qualified, the name of such dead officer shall also be enrolled on List Number *One*, in the same numerical series, in a separate group, and in the order of the date of admittance of the lineal descendant.

FUTURE ACTIVE MEMBERSHIP.

Fifth. To provide for the continuance of the Club in conformity with the resolution of September, 1874, each Primary Member admitted upon personal application may nominate as his successor his son or a blood relative, who during the life of the Primary shall be known as an Associate Member, and entitled to all the privileges of the Club except that of voting, and upon the death of the Primary shall be entitled as his representative to full membership. Should a Primary die without having named his successor, his son (*first*) or nearest blood relative (*next*) may, on written application, be nominated as his representative by two members to whom he is known; but no one proposed for an Associate Member or as the representative of a deceased member shall be voted for until the Examining Committee shall report him eligible and qualified to join the Club. If minors are proposed, their names will be retained for future action until they attain majority.

Election of members will take place only at the regular meetings of the Club. At least thirteen affirmative votes (in *person* or *by letter*) shall be required to admit the applicant, while two negative votes will reject him.

A Representative Member may present a blood relative of the Primary Member he represents as his own associate, and, if elected, he will be entitled to the privileges of an Associate Member, and upon the death of the representative may himself become a Representative Member, and in like manner nominate as his associate the nearest living blood relative of the dead Primary Member, if there be one qualified to become an acceptable representative of said Primary. When no such lineal descendant of the Primary Member exists, the succession for such member of the Aztec Club will cease.

The initiation fees shall be payable to the Treasurer of the Club upon each election as follows:

For New Members or their Representative Members....	\$25 00
For Associate Members.....	5 00

Should an elected applicant neglect for ten (10) months after election to send his acceptance and pay the prescribed fee, his name shall be reported to the Club by the Treasurer for its action at the next regular meeting, and unless a good reason for such neglect is presented his name shall be dropped.

ARTICLE III — *Insignia of Membership.*

Each member shall be entitled to receive a medal struck from the dies belonging to the Club, and also a diploma from the plate in its possession. These medals and diplomas are to descend to the duly elected representatives of the deceased members. The medals are to be worn at all regular meetings.

"OBVERSE."

"REVERSE."

The dies for the medal and the plate for the diploma shall be retained in the custody of the Treasurer, and shall be used only for multiplying copies in compliance with the vote of the club.

*A tri-colored button authorized by the Club may be furnished at cost to each member and Associate Member.

* The Club button will be furnished members on direct application to the manufacturer, George W. Smillie, 338 Mulberry street, Newark, N. J.

ARTICLE IV.—*Officers.*

1. The officers of the Club shall be a President and a Vice-President, Treasurer and a Vice-Treasurer, a Secretary and an Assistant Secretary.

2. The Vice-President shall be elected annually, and at the end of his term of service shall become the President of the Club for the next year.

3. In the case of death or resignation of the President or Treasurer, the Vice-President or Vice-Treasurer shall immediately succeed to the respective chief office without other election, and at the next regular meeting all vacant offices shall be filled.

4. Should the office of Secretary become vacant, the Assistant Secretary shall take charge of the records until the position is filled by the election of a Secretary.

5. The Secretary may appoint his Assistant from either the members or the Associate Members of the Club. All other officers shall be chosen by ballot.

ARTICLE V.—*Duties of the Treasurer.*

The Treasurer shall be held responsible for the funds of the Club, shall disburse them under its direction, and report yearly the Club's financial condition.

ARTICLE VI.—*Duties of the Secretary.*

The Secretary shall keep a record of the Club's proceedings, conduct its correspondence, notify members at least one month in advance of its regular and special meetings, keep and affix its seal, preserve its archives, and perform such other duties appropriate to the office of Secretary as the Executive Committee may direct.

ARTICLE VII.—*Executive Committee.*

There shall be a permanent Executive Committee of the Club, to consist of its President and Vice-President, Treasurer and Secretary, and three other members to be appointed and removable by the President, to act for the Club in the intervals between its regular meetings. Three of the Executive Committee designated by the President shall constitute a subcommittee to examine and report to the Club at its regular meetings upon qualifications of applicants for admission.

ARTICLE VIII.—*Quorum.*

Business may be transacted at any duly appointed meeting of the Club, provided the number of members present shall not be less than *eleven* (11), and that not less than *nine* (9) affirmative votes be given to carry any measure proposed.

ARTICLE IX.—*Suspension of Members.*

The President of the Club shall take notice of any irregularities that may disturb the harmony of its social or business meetings. Should his admonitions be unheeded, he may suspend the offending member from the privileges of the Club until his action shall be reversed by a majority vote of its members at an annual meeting.

ARTICLE X.—*Alterations.*

Any proposition to alter this Constitution must be made at a regular meeting of the Club, action thereon to be taken at the next regular meeting.
